Clear Pathways to Spiritual Growth

At Crossroads, we are all engaged in a life-long process of spiritual growth. No matter where you are on your spiritual journey, we have opportunities for you to develop at your own pace.

To help you find next steps on your spiritual journey, we have identified three stages of spiritual growth. Each is defined below.

You'll notice that each adult group is specifically designed to target one or more of these spiritual growth stages. We encourage you to use these resources to help find the group that is best for you.

Growth Stages

STAGE 1: Growing in Christ

I believe in Jesus and I am working on what it means to get to know him.

STAGE 2: Getting Close to Christ

I feel really close to Christ and depend on him daily for guidance.

STAGE 3: Becoming Christ-Centered

My relationship with Jesus is the most important relationship in my life. It guides everything I do.

The Art of Marriage

SESSION CLOSED

Facilitator: Phil and Sandy Rote

Cost: \$12 per couple

Stage: 1, 2, and 3

Your marriage is unique, expressed by your colorful personalities and textured by the circumstances at play in your lives. Blending these to make marriage work is a divinely inspired art form—challenging to master but definitely worth the effort. Let God turn your marriage into a masterpiece.

Christian Worldview and Apologetics

SESSION OPEN

Facilitator: Joe Romeo

Cost: none

Stage: 3

As Christians, we are called to apply the biblical worldview to everything we read, hear, or see. This class consists of two parts. In the first section, participants will 1) learn the basic components of a worldview, and 2) understand how our culture arrived at its current moment, where people are largely skeptical of religion in general and Christianity in particular. In the second section, participants will 1) learn various ways to defend their faith, 2) become familiar with the traditional arguments for God's existence, and 3) give thoughtful consideration to the problem of evil.
